FROM THE HEAD MASTER

INVITATION TO HEAD MASTER’S INFORMAL MORNING TEA/COFFEE CATCH UP AND CHAT

Although the School facilitates many prescribed occasions and means for parents to keep in touch regarding their son’s progress and development at School such as through Parent/Teacher interview evenings, regular Head Master’s Bulletins, our website, Parents & Friends and Auxiliary meetings, as well as Housemaster interviews, etc. I often find that the informal contact we have with parents is just as important in keeping people “in the loop” so to speak. For example, I find the many en passant informal chats I have with boys and their parents on Saturday mornings as being a very useful means of keeping our community informed of developments on several fronts, not to mention also being a useful means of getting a quick insight into how well (or not so well) matters are, on a day to day basis within the School. With these thoughts in mind I have, from time to time, invited parents to call in for an informal chat when I can also bring them up to date with various School initiatives and plans to further enhance the educational environment of our boys and their overall wellbeing such as our new Environmental Field Studies Centre. Details of this proposed morning tea for this Term are set out below.

Morning Tea for Junior School Parents
Tuesday, 21st June 2016
8.40am to 9.30am
The Seminar Room,
Centenary Centre,
119 Prospect Road, Summer Hill

FROM THE MASTER OF THE JUNIOR SCHOOL

LIVE IN PEACE WITH EACH OTHER. AND WE URGE YOU, BROTHERS AND SISTERS, WARN THOSE WHO ARE IDLE AND DISRUPTIVE, ENCOURAGE THE DISHEARTENED, HELP THE WEAK. BE PATIENT WITH EVERYONE. MAKE SURE THAT NOBODY PAYS BACK WRONG FOR WRONG, BUT ALWAYS STRIVE TO DO WHAT IS GOOD FOR EACH OTHER AND FOR EVERYONE ELSE. 1 THESSALONIANS 5:13b-15

FROM THE MASTER OF THE JUNIOR SCHOOL

Dear Parents and Friends of the Junior School,

At Trinity we pride ourselves on maintaining high standards and having high expectations of our boys. Our standards cover a range of areas including manners, behaviour, respect for others, class work and uniform. As part of this commitment we have been focusing more heavily on the boys’ uniform this term. Our boys are aware of the importance of maintaining, or in some cases raising, the standard of their appearance. At this age, uniform is a shared responsibility between students and parents. The boys are responsible for the correct wearing of items of uniform such as keeping their shirts tucked in, socks up, and hats on as well as bringing appropriate items for sporting activities. Parental assistance is often necessary for repairing shoes, dry-cleaning coats or organising timely haircuts. With this in mind, we would be grateful if parents could encourage boys to take personal responsibility for their attire and remembering all parts of their uniform each day. Younger students require more assistance and reminders but it is an expectation that older students will assume greater responsibility for their own uniform and appearance.
Most classes have had a Life Education session this week, with remaining classes scheduled for Monday. Life Education sessions aim to educate students about healthy lifestyle and equip them with the tools to make good choices. The following health areas have been topics for discussion at each grade level:

- Kindergarten – Healthy choices, physical activity and seeking help from adults
- Year 1 – Managing emotions, balanced diet, exercise, safety around medicines
- Year 2 – Healthy food options, safety around medicines, emergency procedures
- Year 3 – Body systems, healthy food choices
- Year 4 – Mind your medicine
- Years 5 & 6 – Tobacco and Smoking

Thank you to the parents in the 3rd XI Football and 10A Rugby teams who will be staffing the BBQ at Bressington tomorrow morning. Next term, parents from the 1st XV Rugby and 11C Football will be asked to do a shift on the first weekend. Please note this as you will receive an invitation to nominate your preferred timeslot when school returns.

I remind and commend a presentation for primary parents on Problem Internet Use and Screen Addiction in School Children by Dr Philip Tam. This will be held at the Preparatory School next Tuesday 21st June, commencing at 6.45pm. The presentation will provide specific and practical advice for parents about how to manage this challenging area within the family home. Dr Tam has wide ranging professional experience in this area. This event is for parents only. Please RSVP via the Community website. Already, over 100 parents have registered.

In last week’s newsletter, the Head Master invited all Junior School parents to avail themselves of the opportunity to have morning tea with him, next Tuesday 21st June from 8.40am-9.30am in the new Centenary Centre. The Head Master values opportunities like this to meet parents and informally discuss the life of the School and the boys’ lives. Interested parents are asked to RSVP by contacting Ms Marian Bennett in our Office on 9581 6137.

Next week, many of our Year 6 students along with Mr Allum and Mr Borger as well as staff and boys from Strathfield will travel to the North Coast of NSW to spend the week playing rugby or football games, making friends and enjoying the sights. We wish all the boys involved a wonderful time and thank the accompanying staff for their commitment.

It is hard to believe that we are about to embark on the final week of term. It has certainly been a brilliant term of learning for the boys. It has been encouraging to see our new digital portfolio app, Seesaw, proving to be such an integral tool in keeping parents up to date with the boys’ learning, as well as providing a vehicle for boys to reflect on their own learning. There have already been over 7400 items uploaded this year across the Junior School and the weekly parent visits have averaged over 450 per week. It is great to see such a high level of engagement in the boys’ learning. Next week, parents and boys will be able to access another part of the School’s communication to parents via Semester Reports that will detail each boy’s achievements and application across the Key Learning Areas and Units of Inquiry. I encourage each student to spend time with their parent/s reflecting upon the messages that teachers have included in their report and use them as a basis to set some goals for the second half of the year.

PARENT GUIDELINES

Trinity Grammar School is committed to providing all members of the Trinity community with a learning and working environment which is safe, supportive and caring, and which is free of harassment and discrimination of any kind. Accordingly, harassment and discrimination will not be tolerated under any circumstances. The School expects everyone who is part of the School community - boys, parents, friends and staff - to honour the School’s commitment in this regard and to work with the School in achieving a safe learning and working environment.

The School recognises that parents have the primary role as educators of their children and collaboration between parents and the School is necessary for effective learning within the School community. The School acknowledges the variety of gifts parents bring to the School community including active participation in the School community.

The Parent Guidelines are intended to provide School community members with guidelines for the development of positive, respectful relationships within the School community.

For more information on Parents Responsibilities, Serious and Unacceptable Behaviours and Breach of these Guidelines please refer to page 70 of the School Handbook. Click here to view now.

Complaints, suggestions or other matters may be raised by contacting the School on 9581 6000 or by email using info@trinity.nsw.edu.au. If parents express their concerns to the School, parents can expect to be treated with courtesy and respect in order to try to resolve any matters.

In this highly topical and interactive presentation, Dr. Philip Tam will be outlining how the phenomenon of problem internet use (PIU) – commonly dubbed ‘internet addiction’ or ‘video game addiction’ – has emerged as a major mental health and social problem around the globe and in Australia over the past decade or so.

He will then summarise the key research findings on how to appraise and address this phenomenon, and offer practical, and evidence-based solutions and resources for concerned parents and families. Also covered will be important developments in the field of ‘integrated education’, which utilises the huge potential of internet-based technologies to enhance educational outcomes and ‘draw away’ students from gaming and social media distractions in the class setting.

The seminar will also be highly relevant to school counsellors and teachers, who are also often ‘at the coalface’ of emerging internet use difficulties in schoolchildren, both in the primary and secondary settings.

Dr. Philip Tam is a Sydney-based child psychiatrist, researcher and clinical lecturer. He has a long-standing clinical, teaching and advocacy interest in the emerging and complex domain of internet- and video game-related psychological problems, and regularly comments on this topic across the Australian and international media. He is also a co-founder of niira, the Network for Internet Investigation and Research in Australia, a pioneering research and advocacy group aimed at assisting school counsellors, psychologists and concerned parents in the domain of PIU.
On Tuesday morning, the Senior School 1st and 2nd XI had the opportunity to train alongside boys from the Junior School. At the end of training, the boys mingled and asked questions of each other. In 2020 or beyond, we may see some of these Junior School boys doing the same as members of the Senior School 1st and 2nd XI.

REGIONAL SCHOOLS FUTSAL CHAMPIONSHIPS - BANKSTOWN

Trinity entered four teams in the Regional Schools Futsal Championship at Bankstown Basketball Stadium on Wednesday 1st June. These boys were selected from the Year 3-6 Co-curricular Football Programme which trains before school on Monday and Friday mornings on Trinity No. 2 Oval. Selections for this programme occur at the start of term IV each year and trials are communicated through the School newsletters. Thank you to the coaches for their efforts in coaching and supervising the boys, to the parents for their support and to the boys for their effort and enthusiasm at the tournament. Below are the coach reports from the Championships.

Luke Gray | MIC Football

TRINITY GREEN - U13 PRIMARY DIVISION

Trinity played fantastic Football at the Championships. Trinity scored a total of 19 goals and only conceded a solitary goal which was an unfortunate deflection from a wayward strike by the opposition in the quarter final. In the early qualifying games Sebastian Portolesi (6Ar) was scoring goals for fun and creating havoc for the opposition team defenders. Biaggio Signorelli (6La) maintained the same level of intensity and pressure on the opposition defence. Both were ably assisted by Spyridon Konidarlis (6Sc) and Zac Pliatsikas (6He) who played in the supporting central role during their respective times on the field. The team was virtually impenetrable at the back due to the composed defensive team work of Isaac Cunningham (6La), Ben Robinson (6Yo) and Louis Agosti (6Ta). Almost every time Goal Keeper Joshua Hanna (6Yo) gained possession, he played a quick ball to either of the defensive pairing who then played the ball out from the back in a controlled and effective manner.

The boys where on a high after the qualifying rounds and came up against Claremont Blue in their quarter-final game. They started in a composed and controlled manner, playing direct football and putting the opposition under pressure early in the game. Unfortunately final’s football means games are tight and scores tend to be low. A single lapse resulted in the opposition pushing forward with a quick counter-attack and scoring. The boys responded with absolute determination and team-work to continuously put the opposition under constant pressure. Sebastian hit the post, Biaggio, Spyridon, Louis and Isaac, all had shots on goal saved by the goal-keeper. At various times Trinity had 3 players surging forward as a unit in their attempt to break their opponents down and creating scoring opportunities. In our attempts to score, we were hit on the counter-attack several times, however Joshua was alert and in fantastic keeping form to deny the opposition on every occasion. On several tense occasions Ben and Louis made critically timed tackles to prevent the opposition from scoring.

Every single member of the Trinity squad needs to be commended for their footballing composure and desire to play as a cohesive team. Finals football is a game of small margins and the result is not always reflective of the stronger team. With the games being reduced to a total of 10 minutes, it made it very difficult to restore parity in the score line as the pressure mounted and the minutes slowly ebbed away. The boys need to hold the heads high for the fantastic sportsmanship they displayed and their footballing form.

Peter Peric | Coach

TRINITY WHITE - U13 PRIMARY DIVISION

The Under 13 white team had the most success out of all the Trinity teams entered at the Regional Futsal Championships. They managed to win all of their pool games against Laguna Street Public School (Green), Claremont (Blue) and Clovelly. The match against the Claremont Blue team was the highlight of the pool games. It was a high intensity match, with quality attack and defence. The game was won 1-0 by Trinity after a cracking finish by Sami Hatoum (6Hi).

The quarter-final match saw us drawn against Laguna Street White. After going 2-0 down early, the boys managed to get it back to 2-2 after goals from Eric Mihias (6Ta) and Halil Mentes (6Yo). The game then went into extra time. Extra time couldn’t bring a match winning goal so the match went into penalties.

James Bremner | Coach

TRINITY GREEN - U10 PRIMARY DIVISION

The team demonstrated an abundance of skill and teamwork. The team remained undefeated throughout the three matches scoring a total of nine goals, with the attack being led with great energy from Reece Mihas (4Ta), Stefano Furlan (4Hi) and Anthony Antoniou (4Fo). The defensive combination of Marcus Smith (4Hi), Jonathon Ucchino (4Yo) and James Chan (4Ar) also proved tough to break as the team only conceded one goal throughout the day. Moreover, the endless contributions from Nicholas Ayoub (4Yo), Jack Fresta (4He) and Alex Nero (4La) both in defence and attack provided a great balance, which was vital to the teams overall success. The boy’s outstanding performance, is a testament to their commitment and application to the Monday morning sessions throughout recent terms, and I hope that they all continue to develop as footballers.

Zac Galluzzo | Coach

TRINITY WHITE - U10 PRIMARY DIVISION

The boys got off to a great start with a 6-0 win in game one. Solid defence from Jacob Pham (3Yo) and great goals from Marcus Cupac (3La) set Trinity up early on. Our opposition in the second game were certainly a step up from game one and really challenged the boys from the start. Some of their players were at the older end of the age group, and despite some initial reservations about their size, the Trinity boys lifted their own game to match the opposition. Ben Hanna (3Yo) was resolute in challenging for the ball against players twice his size, whilst Jonathan Sedrak (3Yo) was able to make some enterprising runs with the ball. Thomas Bishop (3Yo) was particularly effective in bringing the ball forward, beating several opposing players with his close control of the ball. Some clever passing by Austin Daher (3Ta) created opportunities for us in front of goal, which were taken well and resulted in a 3-1 victory. After two strong wins, the players and supporters were excited as the quest continued for an undefeated day in game three. Trinity faced another strong opposition, who attacked our goal repeatedly in the early stages of the match. Our defence held strong, with Finlay Hanning (3Yo) reading the opposition’s play and confidently thwarting their attack. Joshua Falato (3Yo) came off the bench to open the scoring with a confident finish and add to his impressive haul of goals. Another outstanding team effort and positive play resulted in a 3-0 victory. Congratulations to all players for their attitude and effort on the day. You all represented your school with pride and displayed grace and sportsmanship throughout all matches.

Jonathan Borger | Coach

After both team had 3 shots saved or miss, Isaac Wyatt (5Hi) slotted his penalty to win the game, and send the team into the semi-final against Claremont Red.

The team began the semi-final well, with lots of pressure and attempts on goal. Unfortunately we couldn’t take our chances and Claremont scored on the counter attack. The scored remained 1-0. A harsh lesson for the boys, highlighting the importance of taking you chances and to never relax in defence. Well done to the team for the success they had which was deserving after some quality Futsal displays.
The rain held off but the clear skies meant very cold nights at Region Camp this year. 1st Balmain recorded 0.9°C at their site on Sunday night.

845 Scouts, Venturers, Rovers and Leaders enjoyed the beautiful weather and the fun activities at the Region Camp. On Sunday the camp also hosted 545 Cubs, Joeys, Leaders and visitors. Trinity Scout Group sent 2 cubs, 10 scouts, 2 venturers, and 4 leaders with parents helping bring the cubs to camp on Sunday.

The scouts were ready quickly after school to catch the train to Waterfall before hiking into camp with their backpacks. Arriving at camp the scouts pitched and set up their tents ready for a weekend of fun.

The camp was filled with activities based on an Indiana Jones theme mixed with scouting skills. Some activities included packing Indiana’s backpack for an overnight hike but weighing less than 7kgs including sleeping bag, shelter, clothes, emergency equipment, 2 meals with cooking utensils, and 2 litres of water. This was achieved after removing the rocks left in the backpack from the previous users and unfortunately leaving the jar of Nutella behind. Other themed activity stands included blow dart competition, whip cracking and a leap of faith walk. There was also abseiling, crate stacking, an obstacle course over the rock pool, visits by SES and RFS and much more.

Congratulations to Oliver Kreis (4Yo) for remaining balanced on a crate stack that was 12 milk crates high!

Every meal was cooked by a patrol of five scouts. This included a delicious chicken and vegetable soup on Saturday night and a great lamb roast on Sunday night.

Each night there was a disco, movie or campfire. Saturday night saw a great adaptation for camp of Abbot and Costello’s “Who’s on First” by our venturers. There was also plenty of jokes and storytelling.

Overall a great weekend!

After unpacking the trailer on Tuesday we had some great games of dodgeball, while at closing parade this week we presented the following badges:

> Oliver Kreis (4Yo) – achievement badge Level 1 Bushcraft
> James Kaye (6Hi) – proficiency badges in Cultural Heritage and Performing Arts
> Harrison Brown (7Du) – proficiency badge in art

This was our last meeting for the term at School as next week we are going to the Sydney Indoor Climbing Gym.

All students interested in Scouting are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm. We will return in Week 2 of Term 3

Once again Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Term 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and of taking their game to the next level.

Cost

The cost will be $120 for Term 3 (8 sessions) and the Programme will commence on Monday 25th July and all boys must be registered before the first session.

Transport for Preparatory School Students

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

Coaching

Dane Ristovski who was part of the Coaching Staff last year will once again be involved and the very experienced Sam Christodoulides will join him. Both Coaches have been part of Trinity Basketball firstly as a player in the 1st V for multiple seasons and then coaching our A/B Teams from Year 7-10 for the past 3 and 5 years respectively.

**Auxiliary Barbeque – Bressington Park**

Each Saturday during the winter season the Junior School Auxiliary run a BBQ at Bressington Park with the proceeds going towards facilities for the School. If your son has a scheduled fixture at Bressington Park it is encouraged that assistance is offered throughout the season. Don’t forget to support our Auxiliary by purchasing a bacon and egg roll!
ROUND 7 – WINTER SPORT  
Saturday, 18th June 2016

**IF YOUR SON IS SICK OR UNABLE TO ATTEND, PLEASE RING 0438 980 602 BEFORE 7.30 AM**

If there is wet weather leading up to, or on, the day, boys should ring the Wet Weather Number 1300 788 477 AFTER 7.15 am. Should any further cancellations be made after 7.15 am, this message will be updated.
