FROM THE MASTER OF THE JUNIOR SCHOOL

**But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.**

(ISAIAH 40:31)

Dear Parents and Friends of the Junior School,

**Semester reports** will be issued on-line for each student at the beginning of next week. Teaching staff have put a great deal of effort into ensuring that parents will receive a report that does justice to your son’s achievements and application throughout the semester. If there are any points of clarification, feel free to address these to the relevant teacher at the commencement of Semester 2. I encourage each student to spend time with their parent/s reflecting upon the messages that teachers have included in their report. Enjoy the well-earned praise for jobs well done and use the suggestions for future development as a basis to set some goals for the second half of the year.

Congratulations to the students, who travelled with Mr Borger and Mr Allum on the North Coast Sport Tour this week with Prep students and staff. By all reports, your conduct and manners were excellent and you were fine ambassadors for our school. Well done and thank you! The sporting contests were closely fought and the other opportunities such as billeting, movies and swimming with marine life were greatly enjoyed.

Our Year 6 **Charities leaders**, Thomas Geronikos, James Hardiman, Felix Leckie, James Oeser and Leo Berry (5C) have been busy organising a new charity for the Junior School to support – **Soles 4 Souls**. They addressed Monday’s Assembly about the opportunity to donate sneakers, sport-specific shoes, men’s, women’s and children’s shoes of reasonable quality to those who need but can’t afford them (please, no ugg boots, slippers, heels or damaged shoes). Their aim for us is to collect 1000 pairs! Collection boxes will be available in the Junior School in Weeks 2 and 3 of next term. So, if you are having a winter clean-out over the holidays and come across good quality shoes that no longer fit, please set them aside to bring to school next term.

Our Year 6 **Library Heroes**, Alexander Berg, Joshua Chu, Sam Darling, Nicholas Papadopoulos, Timothy Woodyatt and Nathan Wu do a terrific job assisting to maintain our wonderful Library. Earlier this week, they visited a book shop in the city to select some new resources for the Library. We look forward to hearing about and borrowing their selections. It is terrific that so many of our senior boys are exercising leadership and giving to our community through service in an area of interest.

**Co-curricular activities** for next term can now be booked online via the Community Directory. I encourage parents to note the start and finishing dates and keep a record of these at the time of booking. From next term, Greek School will be offered in the Junior School on Thursday afternoons from 3:30-5:15pm. Details are available on the Community Website although students need to be enrolled directly through the Education Department of the Greek Orthodox Community of NSW.

Last Friday was the final week of **Year 3 Sport** for Term 2. This term the programme has focused on basketball and has provided opportunities for boys to develop their skills and to play a series of modified games. It has been brilliant to hear of
the boys’ development and growth in confidence. This will hold them in good stead for making choices about sport when they are in Year 4. The programme continues from Week 5 of next term with a focus on cricket.

I remind Kindergarten parents of the provision of Speech and Language Screening early next term. Parents who wish to take up this opportunity who have not returned the form are asked to do so and email this to the Office in the next few days.

Thank you to the parents in the 3rd XI Football and 10A Rugby teams who worked in the rain on the BBQ at Bressington last Saturday. Next term, parents from the 1st XV Rugby and 11C Football will be asked to do a shift on the first weekend and will receive an invitation to nominate a preferred timeslot when school returns.

LIBRARY CHAMPIONS VISIT KINOKUNIYA
On Tuesday our Library Champions, along with Miss Gratton and Miss Anagnostopoulos, visited Kinokuniya Bookstore in the Galleries Victoria. Part of the responsibility of the Library Champions leadership role is to be involved in the collection development of the Junior School Library. The boys were excited to select items for the Junior School Library from the wide range of books available, as well as purchase some books to add to their own home libraries! Their selections ranged from football books on Ronaldo and Messi to Adventure Time graphic novels and Warriors books. The boys also chose some fantastic new picture books which will be perfect for our younger students. They will present these new collection items to the rest of the school in assembly early next term.

YEAR 3 INDIGENOUS DICTIONARIES
Last week in Library, Year 3 completed their Sydney (Eora) Language Dictionaries, as part of their ‘How we express ourselves’ UOI. They chose an Eora word and created an illustration to represent that word. They enjoyed using a new medium (water soluble oil pastels) and the creativity and skill shown in their illustrations was wonderful. Impressively, some of the boys even remembered the Eora word they had hunted for the week before (after only saying it once), and named it for the rest of the class to guess the English meaning! 3K’s artworks are on display on the glass wall outside their classroom, along with their Indigenous stories, and it has been wonderful to watch not only Year 3 but other boys stopping on their way in and out of the building to look at the artworks and practice saying some Eora words.

HOLIDAY BORROWING AND OVERDUES
All boys with overdue books (excepting those on the North Coast Tour) would have received an overdue notice this week, stating that any overdue books not returned before the end of term would be assumed lost and would be charged to their school accounts over the holidays. As always, if the book is found and returned next term, the charge/s will be reversed.

We have encouraged boys to borrow books to read over the 3 week break (particularly Premier’s Reading Challenge books) and these books will be due back the first week of Term 3.

SOLES FOR SOULS – TERM 3 CHARITY EVENT
Our Year 6 Charity Leaders (Leo Berry, Tom Geronikos, James Hardiman, Felix Leckie, Aiden Lee and James Oeser) have selected ‘Soles for Souls’ as one of the main charities the Junior School will be supporting in Term 3. The boys presented their plans during assembly and chapel on Monday, so your son/s may have already come home and told you about this! Below is some information from the boys so you and your son/s can support this cause.

What is Soles for Souls?
Soles for Souls is an Australian charity that collects ‘gently worn and new shoes which (they) redistribute to empower individuals within Australia and around the world’. Shoes play an important role in preventing disease and promoting better health, and as well as distributing one-off pairs to individuals, Soles for Souls partners with other organisations to provide multiple pairs to individuals to assist in setting up micro-enterprises. You can read more about the work done by Soles for Souls here.

What to donate?
> Kids’ shoes
> Sports shoes including sneakers, football boots, soccer boots, running spikes etc
> Men’s and women’s business, fashion and work shoes

What not to donate?
Please don’t donate single shoes, women’s fashion boots, damaged or ripped shoes, heels higher than 3 inches, and ugg boots/slippers

When are we collecting?
We will be collecting shoes during Weeks 2 and 3 of next term (Term 3), giving you plenty of time over the holidays to gather shoes that are no longer needed (new or slightly worn) for donation!

Where can we donate?
There will be black collection boxes located inside the 2 entrances to the Junior School as well as in the JS Library, with footprints along the floor leading to these locations. These boxes will be emptied regularly, and at the end of the 2 weeks all shoes collected will be given to Soles for Souls. Keep an eye out for posters around the school too.

We are aiming to collect 1,000 pairs of shoes, so we encourage all boys to donate as many pairs of shoes as they can. We have already collected 100 pairs so only 900 to go!

Thank you in advance for supporting this worthy cause.

Miss Gratton on behalf of the Year 6 Charity Leaders
A BIG THANK YOU!

Thank you to Mr Nick Mihas at Sydney Smash Repairs who is going to help us with collecting the car, stripping it out and re-spraying the body work. Also a big thank you to Mark de Szoeke who is an engineer and will be designing a frame to go inside the car to support the ceramic figures.

This is such an exciting project. I can’t wait to see it up on display early next term.

JUNIOR SCHOOL AUXILIARY

It was lovely to see so many Dads volunteering last week! Despite the wet weather, Bressington proved to be a great fundraiser yet again. We only have a couple of weeks next term before we break for the year, so let’s sprint to the finish line! Thank you to all of the wonderful parents who have helped with our events this term and I hope you enjoy a well deserved break from volunteering duties.

FROM THE SPORTSMASTER

ROUND 7 WINTER SPORT

What a tremendous two weeks of sport we have had! With the long weekend and some wet weather separating games we chose to keep our fixtures on despite the rain that was falling at the start of the morning. It was fantastic to see so many families listening to wet weather updates throughout the morning and chatting to them on the sidelines at Bressington when the sun came out. Congratulations to the 11A Rugby team who had another brilliant win and also to our 1st XI football team who continue to be undefeated this season. Please remember that sport is on unless the wet weather line says it is cancelled. It is vitally important that all members of our School community do not assume sport in off.

TEAM OF THE WEEK AWARD – 3ND XI FOOTBALL

With a great win on Saturday against Mosman Preparatory School the 3rd XI Football team takes out our team award this week. The 3rd XI team are proving that a great attitude and a positive outlook towards sport, creates a team environment that is enjoyable for all involved. They played with determination, enthusiasm and supported each other throughout the game. Well done!

JUNIOR SCHOOL SPORT - YEAR 3 BASKETBALL PROGRAMME

The Year 3 sporting programme continued this term with a focus on Basketball. The programme, led by our Director of Basketball, Mr Ben Morrissey was a resounding success with our boys learning new skills each week.

Beginning with a skills focus during Thursday morning training sessions, our boys worked on dribbling, passing and shooting. These skills were then put into practice each Friday through inter-house games between the Preparatory and Junior School. These games culminated with a Junior School Year 3 House Basketball Challenge.

Latham took out the inaugural trophy in a close game against Young. Taubman came in third with the valiant and most improved team of Founders in fourth. These games led to a significant improvement and understanding of the game for our boys, as well as further development of the PYP Approaches to Learning skills of gross motor, spatial awareness, organisation, codes of behaviour and respecting others. Thank you to our staff for all their efforts and hard work.

NORTH COAST TOUR

Last Sunday 34 boys and 4 staff embarked on our tour of the North Coast and had an absolutely brilliant time away. We visited the Big Banana and had a history lesson in addition to a couple of games of laser tag. This was followed by our first games against Bishop Druitt College. The Rugby team came away with a fantastic 26-15 win. Team awards were given to McKenzie Stewart and Tom de Szoike for both their outstanding performances on the field and the sportsmanship they displayed. In the football our boys came up against a very skilful opposition and the game was in the balance until a very late goal by the Bishop Druitt team gave them a 2-1 win over Trinity. In the football, the awards went to Christian Farr and Louis Agosti for their ability to not only play great football but also for the way in which they listened to the instructions of the coaches. At the conclusion of the games we had a BBQ with our opposition and then played a giant game of football. Special mention must be given to the exploits of Mr Agosti and Mr Hanna who joined us on the pitch with both gents showing great touches.

On Monday, we have visited the Pet Porpoise Pool in Coffs Harbour where all boys were ‘kissed’ by a dolphin and had their photo taken with an Australian Sea Lion. We then travelled two and a half hours down to Port Macquarie to St Columba College. The rugby team came up against a strong St Columba team, going down 47-0. I was particularly impressed with Harrison Evans’ work ethic and strong tackling. Elias Sidiropolous also played well making some strong runs up the middle. In the football, we turned the tables with a strong 3-1 win. Goal scorers were Isaac Cunningham, Louis Agosti and Sebastian. It was great to see the boys playing a strong passing game and demonstrating improvement in their defence.

At the time of submission the boys are consuming 24 pizzas and 15 loaves of garlic bread and are currently watching the State of Origin on the big screen. I look forward to discussing the tour with the school and our results against Hunter Valley Grammar in Term 3. Thank you to Mr Bremner and Mr Gannon (Preparatory staff) and Mr Borger (Junior School) for their assistance and support this week.

AUXILIARY BARBEQUE

It was great to see some more happy parents on the Auxiliary BBQ last weekend despite the rain. Many hands make light work and I encourage all of you this season to help out those who are there each and every week. The hardest part of the day is pack up and having some dads around would make the job easier for all of us.

Chris Allum | Sportsmaster
During the holidays, Delmar Gallery’s exhibition programme continues with our next exhibition opening on Sunday 3 July, 2-4pm (note that there has been a change to the date listed in the Record Book, due to the clash with the federal election). The Air is Free: James Fardoulys & Dean Manning will be launched by Assistant Director of Artbank, Daniel Mudie Cunningham at 2.30pm.

Sourced from collections across the east coast, this is the first substantial exhibition in Sydney in decades of one of Australia’s best naïve painters, James Fardoulys (1900 – 1975). Fardoulys’ fantastically idiosyncratic paintings of Australiana will be set in dialogue with new works developed in Athens by an artist sharing his Greek heritage, Dean Manning.

James Fardoulys arrived in Australia from Kythera, Greece in 1914, and criss-crossed outback Queensland and NSW with his ventriloquist wife and vaudeville troupe in the 1920s. Taking up painting after he retired from taxi driving in 1960, on a South Brisbane verandah he conjured Australian outback and colonial scenes. He mixed memories with whimsy, history with fantasy, and quickly established himself as one of Australia’s foremost naïve painters.

In a kitchen in Athens in 2016, Dean Manning (1964-) mixed traditional Greek pigments to etch out fragments of Athenian life: portraits of rembetiko singers from the 1920s, graffiti and street protests, smoke and conversation in cafes, refugees arriving in Onassis’ port, Ariadne’s thread and the Minotaur. His paintings and video animation find their way beneath the surface of his father’s homeland. Like Fardoulys, Manning is part of the Greek diaspora and a self-taught painter, arriving at painting through his music (by way of album covers for his bands Leonardo’s Bride and Holidays on Ice).

The Air is Free brings together Manning’s imagined Greece with Fardoulys’ imagined Australia.

The Greek theme will be carried through the opening with live rembetika music performed on lute and guitar from 2pm – 2.30pm, and delicious Greek cuisine.

Dean Manning’s works are for sale, price list available on request –email delmargallery@trinity.nsw.edu.au

The exhibition continues to 31 July (Wednesday – Sunday 12-5pm).

Some knots have some strange names and interesting histories, like the Zeppelin Bend. The Zeppelin Bend is an easy, secure way of joining two lines. Where it really has great value, though, is how easy it is to untie even after it has been under a heavy load. The Zeppelin Bend can also be called a Rosendahl Bend after Commander of the Lakehurst, N.J. Naval Air Station Charles Rosendahl who purportedly insisted it be used to moor airships under his command.

Unfortunately there were no Zeplins at the Sydney Indoor Climbing Centre this week to demonstrate, however parents and leaders were tied to the ground as they belayed the cubs and scouts who climbed the walls. It was a great fun night to end a busy term.

Scouts don’t stop. This weekend three scouts, Ryan Snowsill (7Ho); Harrison Brown (7Du); and Aiden Murphy (7Du) are off to a Scout Youth Leadership Course at Heathcote Scout Training Centre while Dan Bellero (7He) and Nick Magoulas (7Sc) are intending to join the scouts from 1st Dulwich Hill-Marrickville to do the coast walk from the Spit to Manly on Saturday, weather permitting, as part of their campcraft journeys. The following weekend the scout leaders are competing in or catering for the BWRS NAVSHIELD Competition. This orienteering/regaining course over 100 square kilometres in a wilderness area is a one or two-day competition between bushwalkers, rogainers, and emergency services personnel to find markers of various value in the 8 or 32 hour events. The course location is only made public 6 days before the event, and grid references for the markers are revealed 8 hours before the start.

All students interested in Scouting are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm. We will return in Week 2 of Term 3
