Dear Parents and Friends of the Junior School,

Welcome back to Semester 2! The boys are already in the swing of learning and have started the semester very well. Kindergarten and Year 1 have already ventured off-site with excursions to Vaucluse House for a taste of ‘old-fashioned education’ and a theatre viewing of ‘The Moon is a Balloon’.

There is no such thing as a quiet term in the Junior School and this term will be no exception. Highlights will include Book Week, our own Primary Arts Festival, the final rounds of winter sport, our Track and Field Championships, a Walk-a-thon, K-2 Grandparent’s Morning, Year 3/4 and Year 5 Camps and the Year 5 and Year 6 Father and Son Breakfasts. I encourage all families to note key dates contained in the Record Book and read this newsletter each week for information about these and other special events.

On Monday, the teaching staff were engaged in professional development activities including working with staff across all sections of the School to consider the challenges in preparing students for a rapidly changing world. All staff completed their annual CPR assessment and the Junior School staff were also engaged in workshops learning to embed authentic numeracy learning opportunities across all areas of the curriculum. Teaching Mathematics will be a focus of staff professional development activities for the rest of the year.

We welcome William Vaughan, John Dalla-Camina and Oscar Parsons to Year 4, Charlie Naffah to Year 5 and Sean Forrester to Year 6 as students commencing this term. I know all members of the Junior School will welcome the boys and their families into our community.

Year 6 boys and their families are asked to note that the boys are expended to attend and support the Rugby 1st XV game on Saturday 30th July at school. The game commences at 3.15pm. This is an opportunity for the boys to experience the wider life of the School and have a taste of some of the events that will be more commonplace for them in the Middle and Senior Schools. Watching, cheering and joining the war-cries whilst the big boys play is always enjoyable and I am sure that any parents who stay for the game will also enjoy the spectacle. A roll will be taken by class teachers on the day. Any requests for exemption should be addressed to me, well before the day, explaining the special circumstances.

Please remember to utilise the community.trinity.nsw.edu.au page for event bookings. Term 3 co-curricular clubs and the Year 6 Father-Son Breakfast (5th August) are available for booking now.

Mark Dunn | Master of the Junior School

Our Internationally Minded Car has gone through another phase of CHANGE! See page 6 for more details.

### ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone **APP** and follow the prompts
   (From the APP home page select Junior School the select **Absentee Form** to open the absentee form). Instructions for installing the APP on your phone can be found by **click here**.

2. Using the Absentee **email** address jsabsentee@trinity.nsw.edu.au
   Also, if you wish, you can ‘CC’ the class teacher on this email.

3. Lastly, you can **phone** 9581 6144 and leave a message with your son’s name and class

### The Trinity app

The Trinity app is available from the App Store and from Google play for you to download. The app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the Trinity app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au
ONE OF THE HEALTHIEST THINGS WE CAN DO IS TO GIVE
(Thomas Nielson, 2010)

TRINITY GRAMMAR SCHOOL
2016 ANNUAL GIVING APPEAL

WELCOME TO OUR 2016 ANNUAL GIVING APPEAL

Our Annual Giving Appeal provides an opportunity for all members of the Trinity community to invest in the school and all gifts are greatly appreciated. There are a number of ways you may choose to give towards the ongoing development of the School. Please click on the icon to the right for more information about our Annual Giving Appeal. Stephen Heanly | Director of Community Relations

CREDIT CARD SURCHARGE

For many years now, the School has accepted credit card payment for tuition and other fees and borne the amounts of the processing charges imposed by the banks and credit card companies on those transactions. As the use of credit cards has increased, these charges have now become prohibitively expensive for the School.

As a service to our community, we will continue to accept credit card payment. However, from the 1st August 2016, the following surcharges will be applied:

• 0.75% for Visa and MasterCard payments; and
• 1.25% for American Express and other accepted card payments.

There are no changes to the other payment methods offered by the School. For information on all payment options, please visit the School’s website https://www.trinity.nsw.edu.au/enrol/#fees-payment-options

The savings achieved by the surcharges will be used to support the academic and pastoral mission of the School and contribute to the continued quality of the educational experience for our students.

If you have any questions about this change or any of the payment options available, please email me at cdungan@trinity.nsw.edu.au or phone 9581 6027.

Yours sincerely,
Campbell Dungan | Bursar

CALLING ALL PARENTS! CAN YOU HELP?

We need assistance preparing and mounting art works for the Junior School Art Show. If you are free on Monday 1st August from 8.30am - 11am, we would greatly appreciate your help and would love to hear from you. We will be meeting in the Junior School Art room. For more information, please contact Ronnie Pratt, email rpratt@trinity.nsw.edu.au

TRINITY GRAMMAR SCHOOL
SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8)

Term 3: July 26, August 9, 23, Sept 6
Term 4: Oct 18, Nov 1, 15, 29

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

Contacts:
Greg Webster
Senior Chaplain, Summer Hill
email gwebster@trinity.nsw.edu.au

Margaret Chu (Summer Hill)

DONATE NOW
EXHIBITION IS COMING!

The Primary Years Programme aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. As a culminating PYP experience the boys in Year 6 engage in an in-depth, collaborative inquiry called ‘Exhibition’.

The boys have already been involved in a number of provocations which have encouraged them to start to think critically and reflectively about current local and global issues. They participated in a spaghetti and marshmallow challenge to highlight the collaborative nature of Exhibition and the imperative ingredient of working as a team.

Exhibition works best when it incorporates the whole school community. We are very keen to encourage parental contributions and expertise to the Junior School 2016 PYP Exhibition. The Transdisciplinary Theme at the centre of this year’s Exhibition is ‘Sharing the Planet’. The description for this particular theme is as follows;

‘An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and the relationships within and between them; access to equal opportunities; peace and conflict resolution.’

If you have any specific knowledge or life experience of real-life issues or problems that may relate to the theme’s description we would love for you to come in to school and share with the Year 6 boys who are currently considering issues that may be worthy of their investigation. Please email me if you have any further questions or you would like to volunteer as an expert guest speaker. (mormes@trinity.nsw.edu.au)

An Exhibition parent information evening will be held during this term which will be advertised in the Newsletter.

INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOL (ICAS)

Please note that the students who were enrolled at the commencement of the year by parents to participate in the ICAS English competition will be doing so on Wednesday 3rd August NOT Tuesday 2nd August as listed in the Record Book.

Merilyn Ormes | Director of Curriculum/PYP Coordinator

FRIENDS OF RUGBY ANNUAL DINNER

from 7pm to 11pm
at The Stables, Sydney Olympic Park
on SATURDAY 13TH AUGUST, 2016

COST $150 per head
DRESS lounge suit/cocktail
RSVP online via the Trinity Online Community Directory (trinitycommunity.com.au) CLICK HERE TO RSVP NOW

Please note: accommodation discounts are available at the Pullman and Novotel Hotels.

For further information please email Judy Taylor at judy@hipkneeclinic.com.au
NICK FAULKS AND TONY FLOWERS – AUTHOR VISIT

We are very fortunate to have this engaging author/illustrator duo visiting the Junior School on Friday 29 July, to talk to Year 3-6 boys about writing, illustrating and their book series including Saurus Street, Billy is a Dragon and Samurai vs Ninja. Tony and Nick will present an hour session and will be available following the session for book signings.

If your son would like to pre-purchase a copy of one of Nick and Tony’s books (to be collected and signed by them on the day) an order form will be sent home later this week, and can be returned with payment prior to the day. Further details and a list of titles will be on the order form – Tony and Nick’s latest book is titled ‘How to Stop an Alien Invasion Using Shakespeare’ and they will be speaking about this book on the day.

SOLES FOR SOULS REMINDER

The Year 6 Charity Leaders will be collecting new or slightly worn unwanted shoes for the charity Soles for Souls during Weeks 2 & 3 of this term. The charity will then distribute these shoes to individuals and organisations within Australia and overseas, providing footwear to those who would otherwise have none.

Keep an eye out for the black boxes with ‘Soles for Souls’ signs on them at both entrances to the Junior School and also in the Junior School Library, drop off your unwanted pairs of shoes and help us make a difference in people’s lives. We are aiming to collect 1,000 pairs of shoes, and thanks in main part to Leo Berry have already collected over 400 pairs – it would be great if we could exceed our goal!

PREMIER’S READING CHALLENGE

We have a large number of boys participating the the Premiers Reading Challenge this year, and several boys have already completed the challenge, well done! For those who have not yet finished, you have just over 3 weeks to go. The challenge finishes on Friday 19 August and all books must be entered onto your online student reading log by midnight on this date to complete the challenge and be eligible for a certificate. If your son has any problems logging books, please ask him to speak to myself or Miss Anagnostopoulos and we can help.

Gillian Gratton | Teaching and Learning Librarian
Dear Parents,

‘Primary Rugby Clinic’ will be running again in Term 3. The clinic is open to Preparatory and Junior school boys in Years 3 to 6.

There will be a clinic offered on Friday afternoons (3.45pm-5pm) on Oval 3 of the Summer Hill campus. It will commence in Week 1 of Term 3, Friday 22nd July and run for the Term, concluding Friday 23rd September.

A minimum of 12 boys will be required for each session to run.

The clinic will develop handling skills, evasive footwork, spatial awareness and game sense. The training is designed to be fun and fast with the emphasis on non-contact skills and modified contact games. The program will be delivered by Mr. Jack Farrer, an old boy who has coached at Sydney Premiership First Grade and National Rugby Championship levels.

The cost of the Rugby Clinic is $125 for the term. Payment for this activity is required prior to attendance. Please note prep school boys may have to make their own travel arrangements, as spaces on the bus to the Summer Hill campus are limited. Boys should wear any school sports clothing and bring mouth guards and boots.

If you require any additional information, please contact Lachlan White at lwhite@trinity.nsw.edu.au or Jack Farrer at jfarrer@trinity.nsw.edu.au

Some time ago our boys had a wild time spray painting the car. We are now into the next phase of the life of our car.

A huge thank you to the Trinity parents who made this project happen for us.

Trinity parent, Nick Mihas, director of Sydney Smash repairs kindly offered to work on the car stripping the wild paint off and re-spraying it Trinity Green!

Mark de Szoeke who is an engineer offered to create the platform inside the car providing a support for the ceramic figures. He spent time at Sydney Smash repairs working on the construction of the interior structure.

We can’t thank these parents enough for this huge offer of assistance. Kindergarten boys excitedly watched the unloading of the car from their classroom and headed down the corridor to see it arrive outside the centre courtyard.

The next step will be the installation of the ceramic figures created by our boys with Kristyn Taylor from Ceramics in Schools. Each figure represents one of the attributes of the learner profile.

Ronnie Pratt | Visual Arts

---

**RUGBY CLINIC TERM 3 2016**

**Date**  Term 3 | Commencing Friday 22nd July

**Time**  15:45 to 17:00

**Location**  No 3 Oval | Summer Hill Campus

**Cost**  $125

**Dear Parents,**

‘Primary Rugby Clinic’ will be running again in Term 3. The clinic is open to Preparatory and Junior school boys in Years 3 to 6.

There will be a clinic offered on Friday afternoons (3.45pm-5pm) on Oval 3 of the Summer Hill campus. It will commence in Week 1 of Term 3, Friday 22nd July and run for the Term, concluding Friday 23rd September.

A minimum of 12 boys will be required for each session to run.

The clinic will develop handling skills, evasive footwork, spatial awareness and game sense. The training is designed to be fun and fast with the emphasis on non-contact skills and modified contact games. The program will be delivered by Mr. Jack Farrer, an old boy who has coached at Sydney Premiership First Grade and National Rugby Championship levels.

The cost of the Rugby Clinic is $125 for the term.

Payment for this activity is required prior to attendance. Please note prep school boys may have to make their own travel arrangements, as spaces on the bus to the Summer Hill campus are limited. Boys should wear any school sports clothing and bring mouth guards and boots.

If you require any additional information, please contact Lachlan White at lwhite@trinity.nsw.edu.au or Jack Farrer at jfarrer@trinity.nsw.edu.au
Welcome back to Term 3 and our final sprint of winter sport. The Term begins with the final 3 rounds of Winter Sport fixtures for boys in Years 4 to 6. Please be sure to check Junior School News each Friday for confirmation of the fixtures for the Saturday morning.

**FIXTURE CHANGES THIS WEEKEND**

The 1sts Football are now playing at 9:30am, the 2nds 10:15am and the 3rds 11:00am on the Macquarie University Sport fields (Cnr Culloden & Talavera Rd, Macquarie Park). These are difficult to find so please utilise the map below to assist you.

11A Rugby will now be kicking off at 9:15am. The field is now Rugby 1, located at Central Coast Grammar School (Arundel Rd, Erina Heights)

Tuesday the 2nd of August is the annual Prep and Junior School Combined Athletics Carnival for boys in Years 3 to 6. Hopefully by now you will have received a note that has either come home with your son or you have received it in an email from me. Please have the slip at the end of that note returned to your son’s class teacher by Friday the 29th of July. The carnival is a fun day for all. It is a great chance for all boys to participate and earn House points. In the 800m event, boys will be selected and asked to participate based on their efforts and results during the Cross Country Championships and PE. Parents are welcome to attend the carnival but are asked to remain off the track at all times. Boys who are successful at this carnival will gain selection in the School team to compete at the IPSHA carnival.

This week families were asked to contact me should they wish for their son to change sport for Term 4. As the school is a member of IPSHA and competes against other IPSHA schools, the school enters teams based on numbers. It is difficult to make changes of sport once we are entered in a competition with schools of similar numbers. Changes to sport choices will only be made in extenuating circumstances through approval by Mr Dunn and myself. I thank you in advance for your understanding.

Finally the Year 3 Sport Cricket programme will begin in week 5 as per the Record Book. The programme will run for four consecutive Fridays from the 19th of August until Friday the 9th of September. Similar to the last two terms, the programme will be held on the Summer Hill campus and run from 3:00-4:30pm. A note with these details will come out shortly.

All the best to all boys and teams for sport in Term 3.

**MAX FRICER**

It is wonderful to read in the local paper of Max Fricker’s continuing success in Diving. As a School we congratulate him on his recent performances and wish him well at the National Championship later on this year.

**AUXILIARY SUPPORT OF JUNIOR SCHOOL SPORT**

It is wonderful to be able to finally showcase our new football goals at Bressington Park this Saturday. For the first time our Year 4 boys and players from other Schools will be able to shoot for the goals and have the ball hit the ‘back of the net’. This is all thanks to our generous and supportive Junior School Auxiliary.

Chris Allum | Sportsmaster
In 1914, James Fardoulys (1900-1975) boarded a ship from Greece to join his uncle and other Kytherians working in Australia. A century later, Dean Manning (b1964) took this journey in reverse, to immerse himself in the culture of his father's homeland. The Air is Free connects these two artists' stories, setting in dialogue a new series of paintings completed in Athens by Manning, and a selection of paintings by James Fardoulys from 1961 to 1971, many never previously exhibited in Sydney.

Fardoulys dedicated himself to painting after retiring from driving a Brisbane taxi in 1960. Within a few years, he became known as one of Australia's foremost naïve artists. For his paintings, he drew on memories of travelling around outback Queensland and New South Wales in the 1920s, including when he toured and performed with his ventriloquist wife's vaudeville troupe. In a fantastically idiosyncratic fashion, he mixed these memories with whimsy, and history with fantasy. Australian outback and colonial scenes take on a carnivalesque feel with action-packed canvases painted in high register colour.

In a kitchen in Athens in 2016, Dean Manning mixed traditional Greek pigments to etch out fragments of Athenian life: portraits of rembetiko singers from the 1920s, graffiti and street protests, smoke and conversation in cafes, refugees arriving in Onassis' port, Ariadne's thread and the Minotaur. His paintings and video animation find their way beneath the surface of Greek culture. Like Fardoulys, Manning is part of the Greek diaspora and a self-taught painter, arriving at painting through his music (by way of album covers for his bands Leonardo's Bride and Holidays On Ice).

The Air is Free brings together Manning's imagined Greece with Fardoulys' imagined Australia.

Dean Manning's works are for sale, price list available on request –email delmargallery@trinity.nsw.edu.au

The exhibition continues to 31 July (Wednesday – Sunday 12-5pm).

One of Spain’s great classical guitarists, Ricardo Gallén, will be coming to Australia next month for the Adelaide Guitar Festival.

Before he performs as soloist with the Adelaide Symphony Orchestra, he will be giving a special recital in Sydney for Trinity’s Society of the Arts. The program will be focussed on Latin American composers, including a piece written especially for him by Cuban composer Leo Brouwer, plus works by Agustin Barrios, Antonio Lauro and the much-loved “Prelude No. 1” by Heitor Villa-Lobos.

Born in Linares, Spain, Gallén began playing classical guitar at the age of four, performing in public just a year later. At the age of ten he entered the Conservatory of Music in Cordoba, embarking on a career which has taken him to the great concert halls of the world. In 2009 he was the youngest professorial appointment at the Franz Liszt Academy in Weimar.

Proudly presented by Trinity Grammar School’s Society of the Arts in association with the Cervantes Institute and the Adelaide Guitar Festival.

When Tuesday 9 August, 7.30pm
Where Orchestra Room, Roderick West School of Music
Tickets $20 concession / $30 full. Free admission for Trinity students and Society of the Arts Members.
Bookings click here to book now
Concert duration approx 60 mins (no interval)

Listen online: Ricardo Gallén playing Three Spanish Pieces by Emilio Pujol - https://youtu.be/BJB9o480Hts
THE MATHEMATICS CLUB MATTERS - MAJOR PRIZE DRAW

The Mathematics Club Matters competition has been very popular and it was pleasing to see there were many weekly submissions to and interest in the problems from our boys and parents interested in experiencing Mathematics. The Mathematics Club appreciates the generosity of our sponsors and support for this competition. It now gives me great pleasure to announce Joshua Perera (7La) as the major draw prize winner for the Whitsun Term. You too may be a winner this term, so get your entry in this week for a chance to win.

YOUNG ARCHIMEDES MATHEMATICS ENRICHMENT FORUM REFLECTIONS A Framework for Gifted and Talented Learners

Trinity Grammar School hosted an exciting initiative to welcome 150 young students from gifted primary through to Year 9 who are able or interested in mathematics and its applications from across thirteen different schools at its recent “Young Archimedes Mathematics Enrichment Forum – A Framework for Gifted and Talented Learners” on Monday 18 July 2016. This event was supported by Mensa Australia, Inquisitive Minds, Gifted Families Support Group Inc. and Smarter Puzzles.

The Forum provided an opportunity to develop extra-curricular activities for young students and specifically focused on a range of teaching and learning ideas in a workshop format. The Forum also aimed to provide students with worthwhile mathematical tasks to develop skills, concepts and enhance motivation in a number of topics.

The programme content during the day included:

> Learning about learning to think mathematically;
> Learning to work in a team;
> Learning mathematical skills in Problem Based Learning;
> Learning to develop patience and persistence in problem solving;
> Learning to appreciate the consequences arising from technological developments;
> Learning to develop creativity in problem solving;
> Learning to develop peer tutoring relationships between mentors and mentees that can lead to a developmental process of best practices for students working and learning together;
> Learning to directly engage students in mathematical materials and give them opportunities to achieve a level of mastery.

The more specific aims of the enrichment day included:

> to give all Student’s a chance to learn, network and share their learning in the friendly environment of a school setting;
> to give the Students an opportunity to assist in "real life" educational opportunities learned in class;
> to develop outreach and create opportunities in understanding about new ideas, in promoting best practices in Mathematics.

The students from a variety of schools enjoyed working with each other in providing mentoring opportunities with worthwhile mathematical tasks to develop skills, concepts and enhance motivation in the following two workshops on:

> Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP)

Students were immersed in mathematical and logical thinking as they learn and utilise foundational and advanced problem solving strategies. The students participated in an interactive lesson on problem solving strategies including ‘logical reasoning’, ‘look for a pattern’, ‘draw a diagram’ and ‘make a list’. Students learned to consider multiple perspectives on how to solve problems and then practise selecting and applying the best strategies. They worked cooperatively as they attempted challenging and stimulating questions from our diverse range of original hands-on problems in a creative construction competition.

> A famous Mathematician by the name of George Polya once said, "It's better to solve one problem five different ways than to solve five different problems."

Students in this workshop explored a range of strategies to solve challenging problems related to number, algebra and geometry. Students had an opportunity to extend on the problems presented and challenge their thinking to pose intriguing problems for others to consider. Students were placed in groups to compete against others (sometimes under timed conditions). The workshop provided students with opportunities to share ideas, revelations and discoveries, and be proud to say at the end of their experience that "Mathematics is beautiful".

It was great to see young students engaged, enthusiastic and full of energy. Special thanks to Edward Habkouk who presented two, three-hour workshop sessions and was assisted by Janet Wonders, Don Kesby, Shane Scott and Les Rogerson. I would also particularly thank the Year 10 mentors, who included Jonno Batson (10WH), Jayann Chen (10Ta), Darren He (10La), Flynn Inness (10Mu), Justin Kim (10He), Adam Nazha (10Mu), Nicholas Perera (10La), Steven Serb (10Ar), Nicholas Testa (10Mu), Joseph Wang (10WJ) and Jonathan Zheng (10WH) for their outstanding leadership effort in engaging with their groups and helping to run a very successful Mathematics Enrichment Forum.

Some of the beneficial aspects of the Mathematics Forum included:

> Interactive and group centered sessions with other students.
> Ability and opportunity to meet students from other Schools.
> Open discussion opportunities.
> Great information given by presenters.
> Opportunities to network and a focus for future gifted and talented directions.
> The opportunity to meet, share and exchange ideas.
> Round table conversations during the interactive sessions.
> Hands-on things and scenarios for specific learning areas.

Some feedback responses from the Mathematics Enrichment students:

> Well organised and communicated.
> Catering was of extremely high quality. Great variety and quantity.
> Service and facilities were first class.
> Thank you for a great day and excellent concept.
> An inspiring enrichment day.
I am very lucky to have had the opportunity to attend.
I could not have suggested a better venue on all grounds.
I enjoyed the Trinity location experience.
Enjoyed the day incredibly.
Can we please have more?
Thank you so much for a wonderful learning experience.
Well done and thank you for a great experience and opportunity.
Location and hospitality were excellent.
Learned so much and enjoyed myself.
It was a real pleasure to attend such a well thought out and organised day. I have attended many such days and this was by far the best value day for all that attended.
Very well organised and worth the effort.
Hope to see this concept continue next year.
Looking forward to having more of such valuable opportunities.

I am hoping that in the near future we can all again contribute to the next phase in supporting students through the provision of good induction and mentoring, because a successful mentoring partnership is a career development experience to be enjoyed.

Thank you to our sponsors: Mensa Australia, Inquisitive Minds, Gifted Families Support Group Inc. and Smarter Puzzles.
Once again Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Term 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and of taking their game to the next level.

**Cost**

The cost will be $120 for Term 3 (8 sessions) and the Programme will commence on **Monday 25th July** and all boys must be registered before the first session.

**Transport for Preparatory School Students**

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

**Coaching**

Dane Ristovski who was part of the Coaching Staff last year will once again be involved and the very experienced Sam Christodoulides will join him. Both Coaches have been part of Trinity Basketball firstly as a player in the 1st V for multiple seasons and then coaching our A/B Teams from Year 7-10 for the past 3 and 5 years respectively.

### Auxiliary Barbeque – Bressington Park
Each Saturday during the winter season the Junior School Auxiliary run a BBQ at Bressington Park with the proceeds going towards facilities for the School. If your son has a scheduled fixture at Bressington Park it is encouraged that assistance is offered throughout the season. Don’t forget to support our Auxiliary by purchasing a bacon and egg roll!
# ROUND 8 – WINTER SPORT

**Saturday, 23rd July 2016**

IF YOUR SON IS SICK OR UNABLE TO ATTEND, PLEASE RING 0438 980 602 BEFORE 7.30 AM

If there is wet weather leading up to, or on, the day, boys should ring the Wet Weather Number 1300 788 477 AFTER 7.15 am.

Should any further cancellations be made after 7.15 am, this message will be updated.
