International Baccalaureate Diploma 2015

Given the increased size of Trinity’s 2015 candidature (our largest ever – 64), our IB candidates have achieved our 2nd best ever IB results! Our average score was an incredible 38.15 which equates to an ATAR of 96.90! Not only were the Trinity results among the best of all the IB schools in NSW and the ACT, we can also claim with confidence that our results were some of the finest in Australia. As the IB grows in numbers the standard of our results has risen along with it, for the number of students earning 40+ IB points has risen to 29 in 2015, which represents 46.80% of our candidature.

The stand out performances (perfect scores of 45) from Blake Artemi, Alexander Connolly, Tom Dickinson, James Douglas, Jordan Martenstyn and John Stapleton are testament to their all-round ability and determination to succeed. A perfect score of 45 is an achievement worthy of acclaim at the highest level. Shawki Al Assadi, Julian Duong, Kiran Eswaran and Angus Tonkin were agonisingly close to a 45, earning 44 points with a superb demonstration of organisation and application. A pleasing development in Extended Essays has been the sheer variety of subjects from which our students are drawing inspiration.

A or a B in Theory of Knowledge, while a significant proportion of our candidates (63%) achieved either an A or a B in their Extended Essays. Very few schools in the world could achieve such results. 83% of our candidates achieved an ATAR of 85+ whereas 46.8% received an ATAR of 98+.

One area in which Trinity makes the most of its opportunities is the Core of the IB. We should be very proud of the fact that 27 students (almost 43% of our candidature) achieved an IB score in excess of 30.9 points, which is the IB world average score. This statistic further emphasises Trinity’s exceptional performances, year in and year out, which are always far in excess of the IB world standard.

One very pleasing statistic reveals that 51 out of our 64 candidates (an amazing 80.00%) achieved an IB score of 33+ and, therefore, an ATAR equivalent of 90+. It is well worth noting too that over 92% of our candidates obtained IB scores in excess of 30.0+ IB points, which is the IB world average score. This statistic further emphasises Trinity’s exceptional performances, year in and year out, which are always far in excess of the IB world standard.

As was the case last year, in almost all the 36 courses offered at Trinity, our candidates performed well above the IB world average.

IB Highlights
• 46.8% received an ATAR equivalent of 98+
• 67.7% received an ATAR equivalent of 95+
• 82.5% received an ATAR equivalent of 90+
• 92% received an ATAR equivalent of 85+
