FROM THE HEAD MASTER

Dear Fellow Trinitarians,

What a pleasure it is for me to be able to welcome you at this unique point of your life’s journey - the commencement of your secondary education at Trinity Grammar School.

I have every confidence that your time at Trinity will prove to be among the most memorable experiences of your life and the beginning of a wonderful adventure which will see you “...grow in wisdom and stature and in favour with God and man”.

Some of you may well have concerns regarding how you will fare in a new environment. Will I make friends? How will I cope with the schoolwork? Will I get into a good sporting team? Will the teachers be ‘nice’? How will I be treated by the seniors? These are just some of the thoughts that may cross your mind in the weeks ahead, and rightly so, as the beginning of secondary schooling should represent a challenge to you, otherwise, without this challenge, your potential to grow and develop as the young men of tomorrow would be limited. Should you have these thoughts, you are in good company. The previous generations of Trinitarians who have gone before you have likewise had similar concerns, which soon disappeared once they started at Trinity.

I would like to reassure you that all of us who are part of the Trinity family stand ready to welcome, guide and encourage you as you make your entrance into Middle School at Summer Hill Campus as members of our School.

A former President of the United States, Theodore Roosevelt, once wrote:

Far better it is to dare mighty things,
to win glorious triumphs even though chequered by failure,
than to rank with those poor spirits
who neither enjoy nor suffer much
because they live in the grey twilight
that knows neither victory nor defeat.

My advice to you is to commit yourself to engage fully into the rich and diverse life of the School. Take up learning a musical instrument if you haven’t already done so; attempt a new co-curricular activity; or take up an additional sport you haven’t yet tried; become a debater or actor. In other words, don’t just contemplate – rather, participate!

At Trinity you will be surrounded by a host of positive influences that will strengthen your character and lead to the maturing of your personality - what a great privilege; what a wonderful opportunity to foster your potential, discover your passions and discern your purpose in life! May God guide your days ahead.

Milton Cujes | Head Master

FROM THE DEPUTY HEAD MASTER - STUDENTS

It is a pleasure and a privilege to welcome you to Trinity Grammar School. We are a fine school with wonderful facilities, a vast array of academic and co-curricular choices to pique the interest of every boy, and an outstanding record of scholarship. However, the most important and valued aspect of the School is the people. It is our earnest aim to offer you both guidance and support in the raising of your sons. At Trinity, we understand that we are engaged in a partnership with you as we seek to develop young men of strong character, integrity, generosity of spirit and who ‘grow in wisdom and stature, and in favour with God and Man’.

We are committed to providing a safe, supportive and caring school, free from harassment or discrimination. Get to know your School. Get to know your Housemaster. Get to know your son’s friends and their parents. Engage with the community that is Trinity Grammar School and, if you do, I firmly believe that you will look back at your son’s time at the School as a sound investment.

Bradley Barr | Deputy Head Master - Students
FROM THE DEPUTY HEAD MASTER - OPERATIONS

It is an honour to welcome you to the Middle and Senior School community of Trinity Grammar School.

Your time at Trinity will no doubt be a memorable experience that will provide your son with both challenge and opportunity.

The challenges will come in the form of academic rigour in all subjects, physical challenges in sporting endeavours and the experiences your son will have in growing too maturity as a young man in a contemporary global society. I am confident your son will discover his talents and develop these to the best of his abilities, by embracing the opportunities that the holistic and Christian focussed education at Trinity provides. The staff and fellow students will help guide and encourage your son to embrace the experiences this great school has to offer.

The School will also provide a wide range of opportunities for you to engage in your sons’ education and to participate in the many community events and organisations. The aim is for your son to leave the School with a sense of fulfilment from seizing these wonderful opportunities to grow in Mind, Body and Spirit.

Craig Sandwell | Deputy Head Master - Operations

FROM THE MASTER OF THE SENIOR SCHOOL

The Senior School at Trinity encompasses Years 10 to 12. Your son’s Housemaster, who will welcome you to the School, is the first port of call if you have any concerns. The Housemaster will ensure that your son has a timetable and another student to look after him for the first little while. This buddy will help him with the timetable, rooms, sport and co-curricular, as well as introducing him to the various boys in his Tutor Group.

In the Senior School we believe that every student has the capacity to be a leader. Being a leader is not defined by wearing a badge of office, it is rather a person’s own identity and motivations that make him a leader. Whether each young man reaches his leadership potential is his own responsibility. The final years of school offer many opportunities for boys to develop their leadership skills in academic, sporting and cultural domains. By being involved, boys will learn to know themselves better in terms of strengths and weaknesses. In the end, each individual is accountable for his actions and his attitudes and so the Housemasters, Deputy Master of the Senior School and I are all available to discuss these issues.

Academically, students in Senior School will be studying Year 10, the HSC or the IB. Trinity offers excellent support in terms of the expertise of the staff and the facilities. Rest assured that any requests or questions your son may have will be dealt with. We expect that he will do his best, regardless of the final mark, and as long as that is the case he will be beyond reproach. I do hope that he enjoys this aspect of the School.

Finally, your son can be confident that the Deputy Master of the Senior School and I are always available for a chat – our doors are always open. We do want him to enjoy his time at Trinity and have the best time possible at this great School.

Heath De Lany | Master of the Senior School

FROM THE MASTER OF THE MIDDLE SCHOOL

The Middle School at Trinity encompasses Years 7 to 9. By having boys in these years under the care of the Master of the Middle School, the importance of pastoral care is enhanced. I work with the Deputy Master of the Middle School and the Middle School Housemasters, the School Counsellors and the other agencies within the School so that every boy is given access to appropriate pastoral help and direction. This is central to the educational principles of Trinity Grammar School, which themselves are based on the Christian concept of caring. Your Middle School Housemaster and Tutors will have oversight of your son’s day-to-day welfare, involvement in Sport and Co-curricular Activities and Academic Programme.

All incoming Year 7 boys have been interviewed by their Middle School Housemaster and Orientation Day will give your son a taste of Year 7. He will initially be placed in mixed ability classes in most cases, but there are provisions for students to be extended in areas of particular skill as well as support where it is required. During Terms 1, 2 and 3 there will be a series of regular assessments, and, on the basis of those, classes for Year 8 will be determined. Year 8 commences at the beginning of Term 4 and there will be a range of Electives to choose from at that stage.

Your Middle School Housemaster and Tutor will provide assistance in organising homework, note taking, preparation for assessments and revision, as well as a range of study skills.

In Term 1 all Year 7 boys will attend a five day camp. During that week your son will participate in the Peer Support Programme as well as a number of outdoor activities.

In the first week of Term 1 we will be doing our best to make your son feel comfortable and happy at the School. Should you have any queries please contact your Middle School Housemaster.

I hope your son’s time here will be one of great excitement and reward, and that he will take every opportunity offered to him by the School.

John Allen | Master of the Middle School
FROM THE DIRECTOR OF MUSIC

Trinity Grammar School is renowned for its encouragement of music. The Music Department has one of the most dynamic and impressive Performance programmes both in New South Wales and Australia and, in terms of student participation, is one of the most comprehensive. Commitment of students and staff to achieving excellence in the area of performance has earned us an impressive reputation. Senior performance groups are sought by many organisations outside the School.

A great deal of the music takes the form of a rich variety of practical music making, both in and outside the classroom. The Instrumental Programme is well developed, and for students who show a particular aptitude and inclination, opportunity for instrumental tuition in orchestral, band, vocal and keyboard instruments is provided.

A large number of performing groups rehearse within the Music Department each week. Some of these groups rehearse throughout the year, while others meet for defined “rehearsal seasons”. In line with their high standard of performances, the School’s leading musical ensembles are often invited to perform in the wider community and also engage in tours within Australia and overseas.

Boys in Year 7 are actively encouraged to audition and, depending on their ability, can be considered for any of the groups. All students having instrumental tuition at School are expected to be in at least one of the following groups (a place in the group is not dependent on a boy having lessons at School). The Music Groups at Trinity Grammar School include the following:

**AUDITION**

Membership of all groups is subject to an audition or recommendation by their instrumental teacher. This makes sure boys are in groups appropriate to their level of ability.

**Instrumental groups** - the main audition period for boys in Years 8-12 is the first four weeks of Term 4 when rehearsal time is used for auditioning. New boys to the School can apply for an audition at anytime during the year, although we encourage all Year 7 students to audition in the first two weeks of February.

**Choral groups** - the main audition period for all Years 7-12 is during the first two weeks in February. New boys to the School can apply for an audition at anytime during the year. This also applies to boys who want to change voice sections as a result of their voice changing.

**Audition requirements** - At the audition every boy in every group must play or sing a solo and for Senior Ensembles may be asked to do a sight reading exercise.

If you have any questions please do not hesitate to contact the Music Secretary on 9581 6042.

Philip Pratt | Director Of Music

FROM THE CHAPLAIN

Welcome to Trinity. We hope your days here are enjoyable and memorable. Trinity is a Christian School linked with the Anglican Church of Australia. Whatever your particular church or religious background, we hope you will feel very welcome and at ease as a member of the School family. Trinity was founded to provide a Christian education for young men and we seek to apply this to all areas of our School life. We hope that you will make every effort to support this aim and involve yourself with a positive attitude. We want Trinity to be a happy, friendly school where all boys feel welcome and accepted and have the opportunity to grow in their knowledge of, and love for, God through Jesus Christ.

**Weekly Chapel Services**

All students regularly attend Chapel in House groups. The Chapel service is simple and accessible, while standing in the Anglican tradition. We have had drama, interviews and guest musicians. However, the central focus is an address based on a passage from the Bible. We encourage the students to be involved by taking the Bible readings each week.

**House Service**

Each House will have a service once during the year. This is a very special occasion when you are invited to join and share the experience with your son.

**Christian Studies**

Christian Studies is an important part of the teaching programme. There will be plenty of opportunities within the classroom for questions and discussion about the Christian faith and those issues of life which concern us all.

**Is there anything you would like to talk about?**

As the Chaplain, I am usually anywhere and everywhere – that means that I am never too far away if you need to talk. Sometimes school has its challenges. Talking to someone can often allow these issues to just fade away.

I hope that one day students will look back on their years at Trinity with lots of great memories and especially as a time when they got to know God a whole lot better!

Gregory Webster | Chaplain
FROM THE SPORTSMASTER

Each student from Year 7 is expected to take part in the Sport Programme of the School. To this end, a variety of activities is offered to provide various avenues for individual differences and interests.

Students are expected to take part in at least one team sport, representing Trinity in the Combined Associate Schools (CAS) Competition. Many students, however, compete in two or three team events throughout the year and this is possible because of the seasonal timing of the sports.

Selection of sporting activities may be made from the following:

**Winter**
- Rugby, Football, AFL, Cross Country, Tennis, Swimming.

**Summer**
- Basketball, Cricket, Tennis, Water Polo, Swimming.

New students in Years 8-12 are required to visit the Sportsmaster on their first day at school to be enrolled into a sport.

Sport selections are made on Orientation Day. Your son’s sport choice will be confirmed with the Sportsmaster for the first day of School. Due to factors such as availability of training facilities, the number of boys in some sports may need to be capped. No boy will miss his first priority sport without first having the opportunity to trial for this sport in Week 1 of the season.

The CAS Swimming and Diving season runs concurrently with other summer sports. Generally, students are able to participate in both activities provided they wish to do so. The CAS Swimming Championships is one of the highlights of the sporting calendar.

The Athletics Club also runs through summer and boys are welcome to join this club as an extra sporting activity if they wish. However, the main competitive season follows the winter sport programme and culminates with the Combined Associated Schools Track and Field Championships.

The School provides excellent sports facilities and opportunities for each student. Within the scope of these activities there is an opportunity for each student to enjoy sport at the highest level of his ability.

**TRINITY GRAMMAR SCHOOL SPORT CODE OF CONDUCT EXPECTATIONS**

**PLAYERS**
- Play by the rules, in a spirit of good sportsmanship and accept the official’s decisions at all times.
- Play for your own enjoyment and not just to please parents and coaches.
- Strictly refrain from the use of profanities and the verbal abuse of officials and players.
- Strictly refrain from deliberate fouling or provoking opponents, or abusing equipment.
- Work hard for yourself, your team and the School. Strive to improve your skills and your performance.
- Treat all players as you would like to be treated. Respect the rights and dignity of all participants regardless of their ability or background.
- Co-operate with your coach, team-mates and opponents. Without them there would be no game.
- Be modest in success and generous in defeat.

**COACHES**
- Recognise that games are for enjoyment.
- Create a safe and fair environment by teaching the rules of the game and employing a transparent, objective selection policy.
- Cultivate in your players both a desire to win – which should motivate them towards excellence – and an ability to deal with defeat constructively.
- Develop in your players a respect for the ability of your opponents, as well as for the judgement of officials.
- Welcome the visiting coach, and encourage the Captain of the team to seek out the visiting Captain.
- Be reasonable in your expectations of the players and in your demands upon them. Be sensitive to the age, skill and physical maturity of your players.
- Support and encourage players. Constructive advice should be focused on the mistake and not the person.
- Refrain from encroaching on the field while the game is in progress.
- Be positive in all interactions with officials. Publicly expressing displeasure at the performance of officials cultivates disrespect, an excuse culture in players and ill-feeling between School communities.

**PARENTS**
- Focus upon the boys’ efforts and performance rather than the overall outcome of the game.
- Teach your son that an honest committed effort is as important as victory, so that the result of the game is accepted without undue exuberance or disappointment.
- Encourage your son to play at all times according to the rules of the game and spirit of fair play.
- Never ridicule your son or another boy for making a mistake or losing a game.
- Remember boys are involved in organised sports for their benefit and enjoyment.
- Remember that children learn best from example. Applaud good play by both teams.
- Remember that children learn best from example. Applaud good play by both teams.
- Raise any concerns you may have with officials through the appropriate channels rather than questioning the official’s judgement and honesty in public. Remember most officials give their time and effort voluntarily for your son’s benefit.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Recognise the value and importance of coaches and give them your support.

**SPECTATORS**
- Trinity encourages boys to support their School teams and to be dressed in the School’s uniform while doing so.
- We look to adults to set an example by their self-control, deportment and dress at matches.
- We expect support to be enthusiastic but not to be fanatical or designed to heckle, belittle or disturb the opponents.
- Booing, whistling or playing and beating musical instruments are in bad taste and are unacceptable.
- Support for any team should never encourage violence or rough or illegal play.
- Good play from both teams should be applauded generously.
- Encroaching onto the field of play or the shouting out of suggestions, disapproval or profanities to players, officials or spectators is not acceptable.
- The area around sporting venues should be left tidy and free of rubbish.

Hugo Engele | Sportsmaster
CO-CURRICULAR ACTIVITIES AT TRINITY

Trinity Grammar School provides a comprehensive range of co-curricular activities, which represent an important component of the Trinity Triangle and the ‘well-rounded’ boy we aim to develop. The School places a premium on providing opportunities for boys to develop their skills and feel empowered to pursue their passion. Co-curricular activities aim to develop important skills in leadership, communication, performance, creativity, decision-making, cooperation and service. By participating in co-curricular activities boys are able to build their self-confidence and enhance their connectedness to the School.

Most co-curricular activities are held from 3:05pm to 4:50pm each Friday, though some are scheduled at other times throughout the week. The School’s annual Service Week is conducted during Term 1, with all boys participating in camps and activities as a part of their co-curricular activity.

MIDDLE SCHOOL

All Year 7 boys take part in the Peer Support Induction Programme through their Tutor Group, and are encouraged to participate in other co-curricular activities such as Chess Club, Science Club, Music (Auditioned Groups – choral, orchestral or band), Debating Society and Scouts. Boys in Year 8 and Year 9 must participate in either an auditioned Music group or the School’s Cadet Unit as their minimum commitment, but may also join additional co-curricular activities.

SENIOR SCHOOL

All Senior School boys must undertake one or more of the Co-curricular activities listed opposite. As well, all Year 11 boys participate in Peer Support training during the Year 11 Conference. Year 12 boys must maintain their co-curricular activities until after Service Week, except for Senior Music and Debating groups who are required to continue with practices and performances up to, and including, Speech Day.

GETTING A GOOD START AT TRINITY

THINGS BOYS NEED TO KNOW NOW, BEFORE COMMENCING

WHAT DO I DO IF I’M LATE OR NEED TO LEAVE EARLY?

Arriving late
If you arrive late for School you must report to the Student Services Secretary’s Office in Compass Courtyard with your Record Book and Student ID Card.

Leaving early
If, through some unavoidable circumstances, you need to leave School before the conclusion of the School day, you will need a note or email from your parent or guardian outlining the reason. Once again, it must contain your full name, Year and House. Remember that any appointments with doctors, dentists and so on should be made, where possible, outside School time.

WHAT HAPPENS IF I’M SICK?

If you become ill at School you go to the Health Centre with a note from your teacher. In the Health Centre, care is provided and your parent or guardian will be telephoned if you are really unwell. In the event of an accident, remember, not to panic, and to report the accident to the nearest teacher. All possible care will be taken in the event of an emergency. It is vital that you let us know if your telephone numbers change.

ABSENCES

If you will be away from School because you are sick or for any other reason, your parents should telephone the School on 9581 6033 on the day of your absence and leave a message on the answering machine.

Notification may also be made by email: absentee@trinity.nsw.edu.au

Attendance rolls are legal documents and must be kept accurately, so all absences have to be clearly explained. If you are likely to be away for any length of time, your parent or guardian should write to the Head Master.

Parents will be contacted by telephone or SMS text message if we do not know where you are.

In cases of exceptional circumstances that require time away from School, Sport or Co-curricular activities, parents are required to apply for leave in writing via email to the Master of the Senior or Middle School at least one week in advance, where possible.

WHAT’S FOR LUNCH?

A wide variety of food is available to staff and students from the School Canteen and Cafeteria where nutritional sandwiches and rolls, fruit, and hot food can be purchased. The School Canteen and Cafeteria are run by the School in order to provide nutritious food at low prices. Payment can be made using the Student ID Card (see page 23 for details).

Any parents who would like to volunteer for work in the Canteen or Cafeteria would be very welcome to do so and should contact the President of the Summer Hill Auxiliary. It is an enjoyable day, which gives parents a chance to meet others and to learn more about Trinity.
WHAT DO I WEAR?

All students must wear School uniform every day. The Handbook you have received gives you details of this, while the School Shop has a complete list and stocks everything needed. The School Shop and Clothing Pool are open from 8am – 4pm (Monday – Friday). To access the Uniform Shop please park in the underground carpark. Exit out the carpark entrance, turn left and continue along to the Founder’s Building.

SPORTS CLOTHES

Please refer to the Handbook.

SPORT

At the beginning of Term I, the Sportsmaster, with the help of coaching staff, will assess you and you will be placed in one or other of the teams in your chosen sport. You will be placed in a sporting team that is appropriate to your level of skill.

SCHOOL EQUIPMENT

The Uniform Shop (Founder’s Building, Summer Hill) has a supply of exercise books, pens and rulers which are available for purchase.

TRAVEL

The Student Services Secretary arranges for the issue of School and Government 'bus and Government train passes. You may contact Mrs Renata Meleo on 9581 6098 or 9581 6000 for more information.

WHAT TO DO…WHAT NOT TO DO

The School has rules and expectations. They are set out in the Handbook and are really just common sense. A simple rule for life, both in and out of School is to:

DO TO OTHERS AS YOU EXPECT OTHERS TO DO TO YOU

You are here to learn all you can, so look after your School. Be in the right place at the right time, correctly dressed and with all the correct gear. Respect the staff, respect other students, respect the property of others, respect the truth and do nothing that could in any way be harmful to anything or anyone. Use common sense at all times, whether you are in School or out of it. When you are travelling to and from School, you are the custodians of the School’s good name.

If you do misbehave, you can expect consequences. A class teacher may decide to discuss the problem with you and your Housemaster, issue you with a Demerit, or place you on a Detention. In the case of a Detention, a note will be sent home in your Record Book. A teacher may decide to comment on your good or bad work or behaviour in your Record Book, and your parents should check the Record Book weekly for comments and notes. Repeated failure to meet the School’s expectations will see you reported to your Housemaster or the Deputy Master.

NATURALLY, THE BEST WAY IS TO STAY AWAY FROM TROUBLE, TO BE HONEST AND TO DO THE RIGHT AND COURTEOUS THING

WHO CARES?

The Head Master and all members of his Executive, especially the Masters of the Senior and Middle School, the Chaplain, your Housemaster and teachers, the School Counsellor, the Prefects and your House Captain all care about your well-being, and how you are getting along. You should feel able to talk to any of these people about any problems or difficulties you are experiencing.

WHAT CAN YOU DO?

If you feel you are being harassed or discriminated against, there are a number of actions you can take:

1. Tell the person to “stop.”
2. Avoiding a confrontation. Just walking away may be effective, though ignoring continued incidents gives the impression that harassment and discrimination are accepted within the School. The School’s counselling department is available to help boys develop the skills to be assertive in these types of situations.
3. Do not retaliate aggressively, either physically or verbally. Dealing with the situation in a non-hostile manner commonly goes against the response the person was hoping for.
4. Discuss the situation as soon as possible with someone you are comfortable with: parents, teachers, Tutor, Housemaster, Chaplain, School Counsellor, Prefect, Master of the Middle School, Master of the Senior School, Deputy Masters, Deputy Head Master or the Head Master so that the problem can be resolved. You can also use the School’s “E-Care” email, which provides an opportunity to express concerns, or report incidents, which you would otherwise be reluctant to discuss face-to-face.

The Trinity app

The new Trinity app is now available from the App Store and from Google play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au
Dear Parents

Welcome to Trinity Grammar School.

The role of the Parents’ and Friends’ Association is:

- To provide a forum through which parents and friends of Trinity can interact positively with the School.
- To encourage a greater spirit of community and service.
- To secure additional amenities for all the young men of Trinity to enjoy, and to help them achieve their full potential.

This Association was started in 1938 and has provided the School with many facilities that benefit the boys of the School. Some of the outstanding assets are Compass Court, the Grand Organ in The Roderick West School of Music, the multi media equipment and air conditioning in The James Wilson Hogg Assembly Hall and the bus shelter on Chapel Way.

Regular meetings are held in The Terrace Room at 7pm on the first Tuesday of each month during Term time, but please check the Head Master’s Bulletins for exact dates and topics.

The Trinity Family Fiesta will be held on Saturday, 2nd December (10.00am - 5.00pm). It is designed to build a sense of community and to provide an opportunity for fun and fellowship for parents, staff and boys from all Campuses.

The P & F Committee look forward to meeting you.

| President | Mr Drue Prentice |
| Secretary | Mrs Kay Stephandellis |
| Treasurer | Prof. Stephen Greaves |

BOARDING AT TRINITY

At Trinity Grammar School we have been shaping young men through a boarding education since 1913. Boarding has been a significant part of the School and provides a unique experience for students. We understand the needs of boys and are committed to providing an environment that allows them to extend themselves in all areas. At Trinity we endeavour to create a family environment within our Boarding House. The large majority of our Boarding Staff are family men or women who understand the parental and pastoral needs of raising children and, particularly, young men. With the support and guidance of the Boarding staff, a Boarder at Trinity not only learns how to manage himself when living away from home, but also how to make decisions for himself whilst being taught how to live within a community. We work at developing our Boarders' self-discipline, responsibility, independence, leadership, organisation, teamwork, personal care and relationships. The Boarders have a large and extensive support network to assist with their pastoral needs as well as their academic, sporting, cultural and spiritual development.

BENEFITS OF BOARDING

- Balanced and structured learning environment
- Supervised study with access to teaching staff for extra academic help
- The ability to pursue academic, sporting, musical and cultural interests
- Access and use of the School facilities after hours
- Friendships and camaraderie
- A home away from home
- Access to the Academic Mentoring Programme

PASTORAL CARE

It is important that all our Boarders feel safe within our boarding environment. A network of School Psychologists, Chaplains, Boarding Staff, Registered Nurses, the Boarding Housemaster, the Housemother, the Boarder Support Scheme and Peer Support programme ensure that our Boarders are well looked after.

FACILITIES WITHIN THE BOARDING HOUSE

- Single, double and quad share bedrooms
- Air conditioning and central heating
- Games room and kitchen
- Common Rooms with FOXTEL connected
- Computer Room linked to the School network
- Dining Room
- Music Room

BOARDING EXCURSIONS

A number of excursions and social activities are organised each year, such as:

- Rugby and NRL games
- Cultural events
- Weekend Excursions
- Activities such as Go Karting and Ten Pin Bowling

CHARACTER & SPIRITUAL DEVELOPMENT

All boarders undertake the Life Skills Programme at Trinity Grammar School which aims to enhance boys’ capacity to be emotionally resilient and socially competent. The boys meet regularly during the week with their Tutor and Housemaster. There are also weekly chapel services and evening Bible Studies (voluntary) run within the House.
