

TRINITY GRAMMAR SCHOOL

Years 10, 11 and 12 Yearly Examinations

August – September 2019

Notes for all Students

- Examinations will be held in the Assembly Hall, Centenary Centre, Music Centre and individual rooms as indicated. Please check locations carefully.
- During the Examination period students are not required to attend School except when they have an examination. Students are expected to travel directly to School and return directly home.
- When students have more than one Examination on the one day, they are not permitted to leave the campus between sessions, and are to use the Study Hall or Library to study during this time.
- Students must arrive at School about half an hour before the commencement of an Examination. This is to allow sufficient time for all students to be efficiently “called in” and for the Examination to start punctually.
- Students will not generally be permitted to enter an Examination more than one hour late. **No student will be permitted to leave an Examination prior to the published finish time.** However, should a student be late for an Examination through circumstances which he believes were unavoidable and not his fault, he should report immediately on his arrival to the Director of Curriculum or the Master of the Senior School, who will determine the appropriate course.

Examination Protocols

- Students are to present for all sessions in normal School uniform, and correctly groomed.
- Reading time may *only* be used for *reading*. Writing during this time is not permitted and may lead to disqualification. No calculators to be used during reading time. Please check the reading time for each individual Examination.
- No student is to leave his seat unless a supervisor has granted permission. Permission is only to be sought by raising a hand. Permission to use the toilet will not be given in the first and last fifteen (15) minutes of any Examination.
- All students must bring all the required equipment in a **transparent plastic bag or container**. Borrowing will not be permitted. Required equipment includes either a stapler or a supply of paper clips. Please note, however, that paper or booklets will be supplied. All answers must be written legibly in pen; diagrams, however, may be drawn in clear pencil.
- **Students may not bring mobile telephones, smart watches or other electronic communication devices into the room.** These devices must be secured in the student’s locker.
- At the conclusion of each session the instruction to “Cease work” will be given. *Nothing further may be written* and there is to be no speaking until students have been dismissed and have exited the room.
- Any case of alleged academic misconduct will be referred to the Director of Curriculum who will confer with the Master of the Senior School and the Academic Dean (Year 12). If the allegation is substantiated, the penalty may include, but not be limited to, the award of zero (0) marks for that particular assessment component.
- Any case of serious misbehaviour will be referred to the Master of the Senior School. In the event of a student having to be removed from the room, he will not be re-admitted, and his Examination script will be regarded as completed as of the point of his removal.
- Students may not bring notes in any form into the session. Possession of notes is a serious breach of academic integrity; it will not be necessary to prove that they were used.

Absence from an Examination

- These Examinations are part of the formal Assessment Programme for Year 10, Year 11 HSC and IB and Year 12 HSC and IB Courses; therefore, student absence must be treated in the same manner as absence from other Assessment Tasks.
- Should absence be necessary, the student or a family member must telephone the Student Services Secretary (9581 6098 or answering machine 9581 6033) as early as possible to notify their absence. On their return, students who were ill must bring evidence of their inability to attend in the form of a Doctor's Certificate (not from a family member). Students who were absent due to exceptional circumstances must bring a detailed note from a parent, explaining the circumstances and why attendance was not possible. Such evidence must be given to the Curriculum Office.
- On the day of his return to School, it is *the student's* responsibility to report to the Curriculum Office. Subject to the decision of the Director of Curriculum regarding the reason for the absence, a make-up Examination time will be scheduled **with an alternative examination paper**.
- **Alleged misreading of the Assessment Timetable cannot be compensated.** Students who fail to attend an Examination claiming that they have misread the timetable will be awarded zero (0) marks. Students are strictly warned against using draft timetables; only the final Examination timetable will provide accurate information about scheduling.
- Please refer to the TGS Assessment Policy for further information about absence from an examination.

Mrs D Williams
Academic Dean

July 2019

2019

YEARS 10, 11 & 12 | YEARLY EXAMINATIONS

DAY	SESSION	YEAR	SUBJECT	No.	DURATION	START	LOCATION
Monday 19 August	AM	11IB	Music (HL) Performance	7	2.5h	8.30am	M1.3
