

TRINITY GRAMMAR SCHOOL

Yr 11 & 12 HSC and IB Assessment Period – March 2021

Notes for Students

- Assessments will be held in the Assembly Hall, Centenary Centre, Music Centre and individual rooms as indicated. Please check locations carefully.
- Please check the reading time of each individual Assessment; please check the start time of each Assessment.
- During the Assessment period students are not required to attend School except when they have an Assessment. Students are expected to travel directly to School and return directly home.
- When students have more than one Assessment on the one day, they are not permitted to leave the campus between sessions, and are to use the Study Hall or Library to study during this time.
- Students must arrive at School about half an hour before the commencement of an Assessment. This is to allow sufficient time for all students to be properly “called in” and for the Assessment to start punctually.
- Students will not generally be permitted to enter an Assessment more than one hour late. **No student will be permitted to leave an Assessment prior to the published finish time.** However, should a student be late for an Assessment through circumstances which he believes were unavoidable and not his fault, he should report immediately on his arrival to the Director of Curriculum or the Master of the Senior School, who will determine the appropriate course.

IB Examinations and HSC Written Tests

- Students are to present for all sessions in normal School uniform, and correctly groomed.
- Reading time may *only* be used for *reading*. Writing during this time is not permitted and may lead to disqualification for Assessment. No calculators to be used during reading time.
- No student is to leave his seat unless a supervisor has granted permission. Permission is only to be sought by raising a hand. Permission to use the toilet will not be given in the first and last fifteen (15) minutes of any Assessment.
- All boys are expected to have all the required equipment in a **transparent plastic bag or container**. Borrowing will not be permitted. Required equipment includes either a stapler or a supply of paper clips. Please note, however, that paper or booklets will be supplied. All answers must be written legibly in pen; diagrams, however, may be drawn in clear pencil.
- **Students may not bring mobile telephones, pagers or other electronic communication devices into the room.** These devices must be secured in the boy’s locker.
- At the conclusion of each session the instruction to “Cease work” will be given. *Nothing further may be written* and there is to be no speaking until you have been dismissed and have exited the room.
- Any case of alleged academic misconduct will be referred to the Director of Curriculum who will confer with the Master of the Senior School. If the allegation is substantiated, the penalty may include, but not be limited to, the award of zero (0) marks for that particular Assessment.
- Any case of serious misbehaviour will be referred to the Master of the Senior School. In the event of a student having to be removed from the room, he will not be re-admitted and his Assessment script will be regarded as completed as of the point of his removal.
- Students may not bring notes in any form into the session. Possession of notes is a serious breach of the rules; it will not be necessary to prove that they were used.

Absence from an Assessment

- These Assessment Tasks are a part of the learning and assessment for HSC and IB and therefore student absence must be treated in the same manner as absence from other Assessment Tasks. Should absence be necessary, the student or a family member must telephone the Student Services Secretary (9581 6098 or answering machine 9581 6033) as early as possible to notify their absence. On their return, students who were ill must bring evidence of their inability to attend in the form of a Doctor's Certificate (not from a family member). Students who were absent due to exceptional circumstances (such as a family crisis) must bring a detailed note from a parent, explaining the circumstances and why attendance was not possible. Such evidence must be given to the Curriculum Office.
- On the day of his return to School, it is also *the student's* responsibility to report to the Curriculum Office. Subject to the decision of the Director of Curriculum regarding the reason for the absence, a make-up Assessment time will be scheduled if possible.
- **Alleged misreading of the Assessment Timetable cannot be compensated.** Students who fail to attend an Assessment claiming that they have misread the timetable will be awarded zero (0) marks. Students are strictly warned against using draft timetables; only the final Assessment timetable will provide accurate information about scheduling.

Mrs D Williams
Academic Dean

March 2021

2021 YRS 11 & 12 HALF YEARLY ASSESSMENT TIMETABLE

Date	Session	Year	Subject	Start	Duration	No.	Room
Monday 15 March	AM	12IB	French ab initio (SL)	8.30am	1h 45m	21	Cent. Centre
