2019 ROLL OF HONOUR

TRINITY GRAMMAR SCHOOL

HIGHER SCHOOL CERTIFICATE | INTERNATIONAL BACCALAUREATE DIPLOMA

SCHOLARS’ ASSEMBLY

TUESDAY 18TH FEBRUARY 2020 | 8.30AM
By many measures, the achievements of the class of 2019 are among the best in the history of Trinity Grammar School. We had more students achieve an ATAR in the top 1% of the state than ever before.

Scholars’ Assembly is a day on which we bring back those who have achieved academic excellence, in order to acknowledge and honour them in front of their school community and their family. We are rightly proud of the academic excellence of our scholars. Yet a brief scan of the pages of this Scholars’ Assembly program hints at the breadth of their activity beyond the academic. These have been years of endeavour, growth and progress in mind, body and spirit.

However, there is so much more to each of them than the numbers they have achieved. At Trinity, our boys are not valued based on what they achieve, their academic or co-curricular success. Instead they are valued for who they are: each made in the image of God, worthy of dignity and respect and honour.

Detur gloria soli Deo.

ATAR 99.95
International Baccalaureate Distinction Certificate
The University of NSW Scientia Scholarship
Congratulations to the class of 2019 upon achieving outstanding results in the HSC and IB Diploma credentials. By several measures, these are our best since 2000. The median ATAR for the 200 Trinity students who completed their studies in 2019 was 89.05 (compared to NSW median of 69.75 and NSW boys’ median of 68.05), while 26 of these students achieved the outstanding score of an ATAR greater than 99. More students than ever before achieved in the 95 – 99.95 ATAR range (36%) and fewer students achieved an ATAR less than 70. The total number of students placed on either the HSC or IB Diploma honours list (45 students) exceeds previous totals.

These results are testament to Trinity’s commitment to offer a breadth of educational opportunities, fostering growth of the whole student in mind, body and spirit, through challenge and support. They also reflect the improvement focus of the School and the staff commitment to the individual journeys of each boy.
THE HIGHER SCHOOL CERTIFICATE 2019 IN BRIEF

The New South Wales Higher School Certificate is an internationally recognised and rigorous credential that demands sustained commitment and disciplined endeavor. Once again, we are extremely proud of the 97 students who have achieved this formal qualification in recognition of their diligence throughout their years at Trinity.

The following lists highlight some of the accolades through which the New South Wales Education and Standards Authority (NESA) acknowledges outstanding effort and achievement.

TOP OF THE STATE

To score an ATAR of 99 or greater is a momentous achievement and places students in the top echelon of the candidature. The following two students are congratulated for achieving this in the 2019 HSC:

- Elliott Earnshaw (Sc)
- Zijie (Jackie) Gan (Sc)

HSC ALL ROUND ACHIEVEMENT

To qualify as an All Round Achiever a student must achieve the Band 6 in a minimum of ten units. Congratulations to the three students whose excellent performance across the breadth of their pattern of study earned this accolade:

- Elliott Earnshaw (Sc)
- Zijie (Jackie) Gan (Sc)
- Hoai (Bill) Tran (St)

TOP ACHIEVERS IN COURSE

NESA also acknowledges students who achieve one of the top few coveted places in a course. One student earned this honour in 2019:

- Tharen Candi (We) | Information Processes and Technology

HSC SHOWCASES AND EXHIBITIONS

Several Trinity students were nominated for exhibition of major works and projects and two students were selected. Congratulations to the following young men whose work was judged worthy of nomination:

HSC Design and Technology, Textiles and Design – SHAPE 2019

- Logan Kaye (Ho)
- Harrison Layton (Du)

HSC Visual Art – ArtExpress 2019

- Joshua Abbott (Ar) – selected
- Rene Noble (He) – selected
- Marko Karanfilovski (La)
- Logan Kaye (Ho)
- Luke Powell (Ho)

SCHOOL BASED TRAINEESHIPS

In addition to achieving the HSC credential, the following students simultaneously achieved a School Based Traineeship. This year, all SBTs were completed in Construction.

- Tim Bradfield (Ar)
- Zane Chesterfield (He)
- Tom Griffin (Yo) - C
- Taylor Miller (Yo)

DISTINGUISHED ACHIEVEMENT

Students achieving a top band in a course earn this accolade. Trinity achieved 77 Band 6 or E4 scores, resulting in 42 students named on the Distinguished Achievers list.

Looking at the broader picture, we find the results are also very strong. For two unit subjects, 45 percent of results were in the top two performance bands. In Extension subjects, an impressive 76 percent were in the top two bands.

2 UNIT SUBJECTS

54 BAND 6 RESULTS

EXTENSION SUBJECTS

23 TOP BAND RESULTS (E4)

45% TOP TWO PERFORMANCE BANDS

76% TOP TWO PERFORMANCE BANDS

Trinity students continue to perform well in areas of personal passion and personal challenge. Growth from Year 10 results is outstanding, building upon the foundational approaches to learning developed in the Trinity curriculum P - 12. This willingness to embrace challenge and apply the habits of learning developed over many years is evident in the fine results achieved by the 2019 HSC cohort.
INTERNATIONAL BACCALAUREATE DIPLOMA 2019

IN BRIEF

With 102 candidates registered for the Diploma and a further 29 registered for Anticipated Subjects, 2019’s cohort earns the accolade for Trinity Grammar School’s largest IB Diploma cohort. The results of 2019 are amongst the School’s best, highlighted in the 42 students on the list for Distinction Performance, and have shown once again that the staff and students of Trinity Grammar School can ably meet the challenge of ensuring growing numbers of diverse students reach their potential through the Diploma Programme.

The 98 students achieving the award averaged an IB score of 37.0, significantly exceeding the world average (28.5) and that of the Australian landscape (32.0). Eighty-nine percent of our candidates obtained scores in excess of the IB world average, showing our dominance in the international sphere.

The following lists highlight some of the accolades through which the International Baccalaureate Organisation acknowledges outstanding effort and achievement.

Trinity is proud not only of the overall results for the 2019 IB Diploma cohort, but also of the number of students we are able to support to achieve the goals they set for themselves through this credential. There are so few schools worldwide presenting this number of candidates, and achieving these kinds of outcomes. The IB Diploma stands as an authentic and empowering choice for Trinity students.
