TRINITY'S IB SCHOLARS > BREADTH OF OPPORTUNITY BEYOND SCHOOL

IB Score of 45

UAI/ATAR Equivalence of 99.95

Top ATAR in NSW/Australia

University Scholarships Awarded Co-op Scholarship

AAA Scholarship

Scientia Scholarship

University Course of Study

Bachelor of Engineering - Photovoltaic and
Solar Energy

University of NSW

Aaron is working with UNSW academics in the photovoltaic field who have been consistently ranked amongst the leaders worldwide through international peer review.

This team has held the world record for silicon solar cell efficiencies for decades and were responsible for developing the most successfully commercialized new photovoltaic technology internationally throughout the same period.
