### UTS

*Science - Entry Pathway Through Aptitude Assessment | Registration closes midnight 9 Jan 22.*

The aptitude assessment is an opportunity for students to demonstrate their potential, and possibly secure an offer to study at UTS Science. The assessment is designed to assess your analytical and critical thinking skills. It is a general knowledge-based assessment and there is no need to study for it. <https://www.uts.edu.au/future-students/science/essential-information/application-info-and-fees/entry-pathway-through-aptitude-assessment>.

*Support your UAC application with the Engineering and IT Portfolio*

Submit your portfolio by Sunday 12 Sep 21 at 11.59pm for it to be included in both your Early Entry Program – Edge application and UAC application.

Submit your portfolio by Friday 26 November 2021 at 11.59pm for it to be included only for your UAC application. <https://www.uts.edu.au/study/information-technology/essential-information/it-portfolio-year-12>

*Science and Maths Undergraduate Scholarships*

UTS Science awards hundreds of scholarships each year. Some are in recognition of its current students' achievements and others to encourage future students to take up a science or mathematics degree. Science Dean's Scholarship, Science High Achievers Scholarship Program, Science Indigenous Scholarship

### UNSW

*Medicine Application | Local and Rural applications: closes 30 September 2021*

Be sure you review our Application Process as well as the key dates below to ensure you complete all the requirements. Due to the current situation with COVID-19 and related travel restrictions, UNSW Medicine has made the decision to conduct all interviews for entry into the BMed/MD program for Term 1 2022 online. This means that applicants will not be required to come to one of our campuses for a face-to-face interview, but instead join the interview online from home. You can find further details on our [UNSW Medicine Online Admission interviews – Information for applicants factsheet](#). [Important Dates | Medicine - UNSW Sydney](#). Application portal here: <https://apply.med.unsw.edu.au/>

*Bachelor of Aviation (Flying) Additional Selection Requirements*

Explore the science behind aviation, earn your flying licences and get ready to take on global opportunities within the aviation sector. This degree not only educates and trains pilots to the highest commercial standards, it also develops future industry leaders and managers.

In addition to your UAC or direct application (via Apply Online), you must complete the [internal application form](#). This form is available on the [School of Aviation Website](#). You can also request one from the Undergraduate Coordinator at [aviation@unsw.edu.au](mailto:aviation@unsw.edu.au) or by calling +61 2 9385 5756.

Interviews will be arranged with applicants after receipt of the internal application form.

Students will need to obtain a CASA Class 1 medical certificate before beginning flying training.

## Macquarie Uni

*Macquarie Leaders and Achievers has reopened and will close 19 September*

Given the current situation in NSW, we have reopened this scheme for Year 12 students. Students can also still apply for early entry to Macquarie through the Schools Recommendation Scheme which also closes on Sunday 19 September. [More information about Macquarie Early Entry.](#)

*Covid - 5 Impact Points*

All applicants applying for a Session 1, 2022 undergraduate degree will automatically receive five COVID-19 Impact Points to boost their selection rank. Prospective students will not have to apply for these additional adjustment factors as they will be automatically applied via their Universities Admission Centre (UAC) application. [Find out more.](#)

*Macquarie's Co-op program is offered across three degrees | Applications close Wed 15 September:*

**Actuarial Studies Co-op:** Bachelor of Actuarial Studies with Professional Practice (Honours)

**Accounting Co-op:** Bachelor of Professional Practice and Bachelor of Professional Accounting

**Business Analytics Co-op:** Bachelor of Professional Practice and Bachelor of Business Analytics

These highly competitive courses provide an opportunity to alternate between classroom studies and workplace experience in the form of three placements of three to six months each.

[Find out more about Macquarie's Co-op Program.](#)

## WSU

*Open Day on Replay*

Open Day online has finished up for 2021, but your registration will still give you access to the event website to check out the video stream on replay, learn more about the courses on offer, and virtually explore our campuses. <https://www.westernsydney.edu.au/openday>
